Migration cutover

Calling moves and contact-center moves use different tools. This is a study checklist, not a change window.

Item	What to remember	Source
Calling from Unified CM	Prepare, migrate devices and features, Migration Insights.	nbedetf and the rooms in T6
BroadWorks / BroadCloud	Separate article from Unified CM.	n1ku0vfb
Contact center	CCX discovery tool is not a UCCE import.	T6-R04
Numbers	Port orders, FOC, then test. 933 before agents take live emergency calls.	T6-R06
Rollback	Know which system still owns the number before you power anything off.	T6-R01
